

New Year, New Waiver

Let's save more lives in 2022

The overdose crisis in California is exploding, with **annual overdose deaths throughout the country jumping to over 100,000 in 2021**. We all need to be part of the solution. **You can save more lives this year by registering for an X-waiver**. The training requirement is gone, so it will only take you a few minutes. It's easy, fulfilling, and the right thing to do.

It's as simple as 1-2-3

1. Apply now!

Go to the online application by scanning this QR code or using the link below. You'll just need your state medical license number and DEA registration number. Register here:

<https://buprenorphine.samhsa.gov/forms/select-practitioner-type.php>

2. Follow step-by-step instructions

It only takes a few minutes to register. But if you get stuck along the way, we'll walk you through every detail of the application form in this short instructional video: <https://youtu.be/zUW10aC1lwI>

3. Discover related resources

We've got you covered with everything you need to start prescribing buprenorphine in the hospital. Get off to a great start:

- [DATA 2000 X Waiver for Buprenorphine Prescribing](#)
- [How to Apply to Get Your X Waiver](#)
- [How to Use Your New X Waiver](#)

Thank you for being part of the solution and this new standard of care. If you have questions or concerns, reach out to us for [Technical Assistance](#). More information at cabridge.org.
